Group Exercise Class Descriptions

Barre: Incorporates elements from ballet, Yoga, Pilates, and traditional resistance training. You may have bare feet, use yoga socks, or tennis shoes.

Cycling LiveFit: For any indoor cycling enthusiast, an energizing, adventurous, non-impact ride to enhance your cardio output, strength and endurance.

Forever Young: Gain functional strength and balance. Increase range of motion plus cardio function from low impact exercises with other active older adults.

Line Dancing: Line dancing is a fun way to dance socially without a dance partner. This easy to follow class will exercise your body and mind by dancing to lively, upbeat music. Come and socialize with other dancers while you learn some fun moves or just come for the great exercise and the life enriching experience. Learn different dancing style including Country Western, Swing, Salsa, Tango, Cha Cha, Irish, Waltz and much more!

MetKon Rx: MetKon Rx stands for science driven Metabolic Conditioning. This is a full body interval class that works all planes, different energy systems, and multiple muscle groups. The combination of functional strength training and cardio conditioning is an efficient way to build muscle, burn fat, and torch calories. MetKon Rx is designed to improve strength, power, athletic performance, and core stability. It's a fast moving, fun, and results driven class that's easily accessible to all levels.

Mindful Yoga: A yoga practice for all levels designed to focus on the connection between mind and body. This class will encourage breath with movement through yoga poses and meditation techniques.

P90X® Live: Power through full-body strength and cardio. This is a total-body workout that will keep your body guessing and transforming with a variety of strength- training moves, cardio conditioning, and core work.

Pilates: This class focuses on building strength without bulk, improving flexibility and agility, and helping to prevent injury.

Power Up: Weight bearing strength, followed by powerful cardio to end with core and abdominal training.

STRONG Nation™: This class is a high intensity interval training workout, mixing plyometric or explosive moves like high knees, burpees and jumping jacks, with isometric moves like lunges, squats, and kickboxing. The movements are reverse engineered meaning that music is matched to every move. The movements become more intense in a challenging progression, providing you a total body workout. This class will push you past your limits to help you reach your fitness goals faster. Using your own body weight against gravity, you will gain muscular endurance, tone, and definition. This class is suitable for all levels because modifications are available to fit everyone's fitness needs.

Tai Chi/Self-Paced, Flow-Based

Mind/Body Arts: For ALL fitness levels visualizing essential fundamental Tai Chi methods for flexibly, fluidity, centering, and breathing. Smooth connected movements in organized progressive forms apply.

Tai Chi, Yang Style: Incorporates large sweeping, graceful and slow movements. Yang style allows people of all ages and fitness levels

to start easily and continue to practice it safely to improve their health. For the martial artist, the yang style allows them to focus more intensely on the internal aspects of Tai Chi without the distraction of fancy jumps and fast movements.

Yoga 101: The basics of Yoga for beginners and for those looking for a foundation to get started, or those who already have an understanding of the movement and discipline.

Yoga: The basics of Yoga for beginners and for those looking for a foundation to get started, or those who already have an understanding of the movement and discipline.

Yoga Flow: This class is suitable for anyone wanting all the health benefits of Yoga; improved posture, balance, and coordination. This class flows from one posture to another so that everyone can follow easily.

Zumba® Fitness: Everybody and everybody! Zumba® takes the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party.

Zumba® Tone: A Zumba® based class for those who still like to party, but puts extra emphasis on toning and sculpting to define muscles. The challenge of adding resistance by using Zumba® Toning Sticks or lightweights helps focus on specific muscle groups, so you and your muscles stay engaged.

Water Aerobics: Will help you improve flexibility, range of motion, strength, muscle tone and cardiovascular endurance using the resistance of the water to cushion the feet, knees and back.
