Bootcamp: Come join this functional group fitness class that focuses on pushing your body to its limits while having fun. All fitness levels are welcome to experience cardio and strength training, core training, and interval exercises.

Core de Force Live: CORE DE FORCE LIVE is the high-energy, non-contact group fitness class that mixes MMA-inspired cardio drills with explosive power moves for a full-body conditioning workout. Cardio spikes burn major calories. And your own body weight provides resistance—no equipment needed.

Come and socialize with other dancers while you learn some fun moves or just come for the great exercise and the life enriching experience. Learn different dancing style including Country Western, Swing, Salsa, Tango, Cha Cha, Irish, Waltz and much more!

Mindful Yoga: A yoga practice for all levels designed to focus on the connection between mind and body. This class will encourage breath with movement through yoga poses and meditation techniques.

Pilates: This class focuses on building strength without bulk, improving flexibility and agility, and helping to prevent injury.

PiYo Live: PiYo Live is a hybrid, athletic workout, which combines the mind/body practices of yoga and Pilates, as well as the principles of stretch, strength training, conditioning and dynamic movement. We crank up the music, the speed, and the fun to give you an intense, yet low-impact workout.

Power Up: Weight bearing strength, followed by powerful cardio to end with core and abdominal training.

STRONG Nation™: This class is a high intensity interval training workout, mixing plyometric or explosive moves like high knees, burpees and jumping jacks, with isometric moves like lunges, squats, and kickboxing. The movements are reverse engineered meaning that music is matched to every move. The movements become more intense in a challenging progression, providing you a total body workout. This class will push you past your limits to help you reach your fitness goals faster. Using your own body weight against gravity, you will gain muscular endurance, tone, and definition. This class is suitable for all levels because modifications are available to fit everyone's fitness needs.

Yang style allows people of all ages and fitness levels to start easily and continue to practice it safely to improve their health. For the martial artist, the yang style allows them to focus more intensely on the internal aspects of Tai Chi without the distraction of fancy jumps and fast movements.

Yoga Flow: This class is suitable for anyone wanting all the health benefits of Yoga; improved posture, balance, and coordination. This class flows from one posture to another so that everyone can follow easily.

Zumba® Fitness: Everybody and everybody! Zumba® takes the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party.

Zumba® Tone: A Zumba® based class for those who still like to party, but puts extra emphasis on toning and sculpting to define muscles. The challenge of adding resistance by using Zumba® Toning Sticks or lightweights helps focus on specific muscle groups, so you and your muscles stay engaged.

Water Aerobics: Will help you improve flexibility, range of motion, strength, muscle tone and cardiovascular endurance using the resistance of the water to cushion the feet, knees and back.
